day 3 Unique animals

After breakfast you will visit the Cloud Forest Reserve. At an altitude of over 4000 feet above sea level, the tropical woods have their special smell, the air is clear and fresh, the world seems to stand still and the nearby villages and farms appear to be a tropical version of the mountains of Switzerland. Six different ecological communities of plants and animals which differ from those found in the other communities and with high diversity make up this reserve. Over 2000 plant species are native to the area; more than 320 birds and 100 mammals have been observed. Outstanding species include the Great Green Macaw, Resplendent Quetzal, Bare-necked Umbrella-bird, Baird's Tapir, Jaguar and Ocelot. The entire range of the golden Toad, most brightly colored of all toads, lies within one small part of the Monteverde Cloud Forest. Return to the hotel. Dinner and overnight at Monteverde.
