Turisme de Barcelona

your last taste of freedom in barcelona!

Group travel

Barcelona nightlife!

Have your last big fling in one of Europe's most popular cities – famous for its sites and incredible nightlife!

day 1 Barcelona at first sight

We'll break you in gently and let you get your bearings with a panoramic city tour straight from the airport. Nestled beside 4 kms of golden beaches, we'll see the view from Montjuich Mountain and the Gothic and Eixample quarters, the site of most of the well know 'modernist' architecture. Then it's off to the hotel to either rest up, or explore Barcelona's nightlife at your own pace. But don't wear yourself out

day 2 It's your night!

.....as we'll be discovering Barcelona in a different way – by bicycle. Now you can really get to know the city with its squares and monuments, taking some time for an aperitif or two in the Gothic Quarter.

After free time for lunch, you can enjoy the following:

For the Stags – we'll go football crazy with a visit to the most popular soccer museum in the world – the FC Barcelona Stadium. The guide will take you through everything from the changing rooms to the players tunnel and on to the pitch itself.

For the Hens – get ready to flex the plastic as we're going to shop till you drop along Barcelona's 5 kms of boutiques and stores. Plus there's the additional option of going to La Roca – an outlet mall 35 kms outside of the city, boasting the best brands at the best prices.

We'll end the day with a special dinner at the Baja Beach Club. Decorated with a Mexican theme, the restaurant is in the Marina Village and staffed by beach boys and girls with a special twist. The waiters are also the entertainment, will turn on the style with a late night show in the nightclub.
