**Go wild in Costa del Sol!!!**

### day 1 “Moraga” (Sardine party)

One of the most traditional seafood dishes on the Costa del Sol is the “espeto” which is grilled sardines served kebab style on a skewer.

A moraga is a celebration on the beach, which takes place either day or night and is essentially a big picnic with plenty of food, wine and festivity. We can organize for you a private moraga, which is a great way of celebrating the summer in the ideal surrounds of sand and sea.

### day 2 “Capea” during the day, and Puerto Banús at night

A capea is a bullfight against young bulls which takes place in a small bullring accompanied by plenty of food, drink, music and dance.

As opposed to serious bullfights it is usually found in farms and inns around the countryside. The larger town and city bullrings may also be rented and make ideal venues for concerts, festivals and special events, given that they can be adapted for a large number of people.

In the night Puerto Banús, one of the most exclusive marinas in Europe with luxurious yachts and excellent restaurants and bars.

### day 3 Boat trips and cruises during the day and Puerto Marina in the night

Boat trips and mini cruises are available from several Costa del Sol ports. Some of these cruise via the coastline, while others opt for various other attractive routes.

These boats are perfectly equipped to receive groups and offer aperitifs, music and entertainment. In short, taking a boat trip is an ideal way to have an enjoyable and relaxing day surrounded by all the peace and tranquillity of the Mediterranean Sea.

At night you can enjoy the bars and discos of Puerto Marina, a sophisticated port said to be one of the best in the world.

### day 4 Departure
