Discover another side of Costa del Sol

day 1 Jeep Safari to Ronda Village

This programme is aimed at discovering Andalusia through its well-preserved and stunning nature parks. Whether on the tracks of the "Sierra de las Nieves" or any other park, we will discover the charm of this environment that represents the authentic Andalusia. We will organize stops along all these tracks to enjoy explanations of its environment, wildlife, flora and the history of the region. We will have lunch in a typical restaurant near Ronda and then visit Ronda itself.

day 2 Ballon rides

Marvel in the beauty of the mountains and the sea from far above. Take a glimpse of neighbouring North Africa, float gently through the rural backcountry of the Costa del Sol. The hot air balloon rides that you can enjoy in Ronda will provide you with another spectacular view of the world.

Surrounded by peace, tranquillity, blue sky and birdsong, marvel at the unbeatable view of the historic Tajo gorge and waft gently above street corners and historic squares. Float above the oldest bullring in Spain, above church towers and stately palaces for a once in a lifetime experience, which will stay with you forever.

day 3 Dolphin Safari

On board four-seater speedboats we can enjoy the pleasures of cruising with no need for a permit. Experience the thrill and exhilaration of these fun speedboats. We will be able to contemplate the legendary "Columns of Hercules", located in the middle of the strait. At this historical crossroads of two major civilisations, Europe and Africa, the views of both continents from this astounding stretch of sea remain unaffected by the passage of time. We will leave from the beach of Estepona in search of the Mediterranean dolphins in their natural habitat. These fascinating mammals derive great pleasure from swimming off the bows of our yellow boats. We can get so close that you can almost touch them, and there is no doubt that many of you fall under the spell of the deep and intense stare of these legendary creatures that fills you with a sense of complete freedom.
