### Group travel

### Where grass is always greener

365 days a year of fun and good climate...

#### day 1 Capital & Culture

A great half day time travel which takes you from the very heart of the oldest city in the Canary Islands, visiting the House Museum of Christopher Columbus, where he spent the last days before discovering the New Continent and the old quarter, Vegueta, with its famous Cathedral and Square of Santa Ana to Las Canteras, a long sandy beach situated in the north or the spectacular Auditorium and the cosmopolitan atmosphere of its commercial areas and docks at the port.

#### day 2 El Salobre

Visit to El Salobre Golf Club situated in the county of San Bartolomé de Tirajana, in the south of the island, the most important touristic resort in the Canary Islands. Protected from the winds by the mountains surrounding it, its location shows spectacular views of the mountains and the south coast from all angles, showing a contrast between the green areas and the southern desert landscape.

The golf club has a length of 6.012 metres with a par 71, divided in 4 holes of par 5, 9 holes of par 4 and 5 holes of par 3.

Besides, El Salobre is devoted completely to a service philosophy to meet all customer's needs and expectations, from the very first moment of the arrival until the day is done.

#### day 3 El Cortijo

Just six kilometres away from the capital, Las Palmas de Gran Canaria. The club is well known due to its high standards in both facilities and service. A superb complex in which the golf lovers can find big fast greens, six lakes and more than 600 hundred year-old palm trees and valleys protecting the club from the winds.

It is an 18 holes golf course, par 72, with a total surface of 50 hectares. Above all, El Cortijo is a Golf club focused on the future, an ideal club where the whole family can enjoy a "green" day with a wide range of sports on offer (horse riding, gym, swimming-pool, bridge area, etc).
