Are you ready for action?

Looking for adventure and action? Here's a tour to suit the most adventurous tastes!

day 1 Madrid tour

Get your first taste of Madrid as we break you in gently on your day of arrival with a tour of the city. You'll see Borbones Madrid, with the popular Puerta de Alcalá and Parque de Retiro, 'green lung of Madrid'. As we tour, you'll be able to notice the complete contrasts in the city, from the old town to the most modern and commercial quarters. We won't miss Madrid de los Austrias, with the "Oso y el Madroño" (the Bear and the Madrona Tree) symbol of the city and of course, the beautiful Plaza Mayor, full of street cafés, bars and artists. From Plaza Mayor we'll walk to a castizo restaurant in the area, to have our first Spanish meal.

day 2 Ride your quad

On the second day we start to pick up the pace and go out of town for your first challenge, quad-riding!!!! Find your way around the flags with a compass and map and prove you can keep your balance walking on a trunk...

After all that exercise, build up your energy and enjoy an informal, delicious, barbeque. The afternoon is then free for you to enjoy at your own pace. Either recharge the batteries with a Spanish siesta, or take a wander around the city, before we meet again for evening dinner Madrid style – and sample some Tapas.

day 3 Racing day

On the third day, let's do something totally different and go skiing!! No matter what time of year, you can ski in the largest indoor course in Europe, 250 metres long, and great fun no matter what kind of skier you are. Don't worry if you're a novice, as there are lots of experts to show you the way!

After lunch at the mall in the ski center, you don your helmet and pretend to be Michael Schumacher, with some go-kart driving. If we have time, we can then take a walk around the mall – which has more than 130 stores - to buy those, souvenirs for your friends and family back home. The it's back to the hotel to change and go for dinner at a typical Madrid restaurant.
