Madrid & Toledo

Here you have the ultimate programme for a complete and entertaining short break, with excursions, shows and cuisine for all tastes. Make the most of the opportunity as Madrid opens its 'doors' to welcome you. You just have to wear your most comfortable shoes, grab your camera and be ready to have a great time.

day 1 Madrid Medieval

After check in at the hotel, you start with something quite unusual in a modern city nowadays, a guided walk around Medieval Madrid to see the ins and outs of this historic city. We visit the most remarkable places, such as the lively and colourful Plaza Mayor, the picturesque Mercado de San Miguel and Plaza de la Villa where our beautiful Town Hall is located. Plus we'll be sure not to miss the lovely churches that sprinkle the city centre. To wrap up the day we will end up in a castizo restaurant to savour a tapas-based dinner.

day 2 Jewels of El Prado

On the second day we taken a different view of the city with a Panoramic bus tour, which will take us to those monuments we couldn't visit the night before. In particular, to two 'must-sees', the Royal Palace and El Prado Museum.

At the 18th century Royal Palace, you can marvel at the tapestries and ceramics exhibited in the rich and luxurious rooms. At the museum, you can see up close the works of master artists such as Goya, Velázquez, El Bosco and Rubens. But enough art for one day, it's time to take a bite and try the popular Mediterranean cuisine. Then after lunch, one of the best Spanish traditions - a reviving siesta back at the hotel. Or if you're still raring to go, you can always take a walk on your own and meet some madrileños..... But you'd better charge up your batteries because there's an exciting night ahead of you, a delicious dinner with a genuine flamenco show.

day 3 Toledo visit

For the third day we have a special treat in store - Toledo. You'll spend a full day in this centennial city, the old capital of Spain, where Jews, Muslims and Christians lived peacefully together for years. You can wander its narrow and cobbled streets, visit the Cathedral, the Santo Tomé Church and many other monuments. After lunch, we visit a wine cellar to witness the whole wine making process, and even take a sample!!!! Then back to Madrid and the hotel -sober, let's hope- to get dressed and ready for a perfect end to this wonderful day. A unique and special event where you can dine and listen to an incredible live opera!!

day 4 Departure
