Group travel

Back to nature...

See Tenerife 'off the beaten track'...

day 1 Sample the Canarian gastronomy, not to forget the local wines...

After your arrival, take time to relax and look around your accommodation.

Meet in the evening for a welcome dinner in a typical Canarian style restaurant with local specialities and wine.

day 2 Put on your walking boots...

By coach we head up to the National Park of Las Cañadas, passing from the beach, to dense pine forrests to volcanic lava fields and craters. At the centre we find the magnificent peak of Mount Teide standing at 3,718 metres, and view the amazing colours and formations of the lava and rocks. We take the cable car up to a height of 3,555m from where we can see marvellous views over the island. We then follow the paths down and on to a small refuge where we pic-nic. On to the "White Mountain" area and then back to the coach for the return trip to the hotel.

day 3 Sail the sea...

Take a leisurely 3 hour catamaran cruise along the coast of Tenerife. See the whales and dolphins in their natural habitat. Anchor off a small bay for a delicious buffet lunch and take a dip in the ocean to cool off! A great way to improve your tan...

Afternoon – free.

day 4 A little more exercise...

By coach we head to the north of the island to the Anaga Mountain range.

The ridge from La Laguna along the Anaga mountains is the starting point for rarely - trodden tourist paths which lead to dense woods, deep gorges, hidden villages and lost valleys. Lunch in a local restaurant. See the rich and varied vegetation and a bird sanctuary, home to many rare species including sea eagles.
