

SPAIN TOURS - GROUP PACKAGES: TENERIFE HISTORY TOUR

a journey through time in tenerife!

Group travel

Hidden treasures of Tenerife!

Explore the culture and history of Tenerife... Find out the origins of our island from a northern perspective..

day 1 Starry nights in La Laguna....

After your arrival, take time to relax and look around your accommodation. Meet in the evening for a Welcome Dinner with drinks included, followed by a star-lit walk around La Laguna, the old Capital town of Tenerife and home to the island's largest university.

day 2 The fabulous Orotava Valley...

We begin with a walking tour of Puerto de la Cruz followed by tapas and drinks at the Abaco Mansion, a famously restored building from the 17th century. Then we head up to the village of Orotava from where we have fantastic views down over the Orotava Valley, said by many to be one of the most beautiful places in the world. We stop off at the "Casa de los Balcones" where we can buy some local crafts.

day 3 Finding our roots...

We head to the Capital of Tenerife Santa Cruz and explore the History Museum and the Natural Science Museum – along with a walking tour around the centre and port area of the town. On the return journey we stop at the "Casa del Vino", wine museum for wine tasting and sampling of local cheeses, bread and dried fruits.

day 4 Links to the New World....

Half day visit to the Piramides de Guimar Ethnographic Park, situated some 26 km from the Capital Santa Cruz. The park offers many and varied examples of the historical and archaeological links between our islands and the southern American countries and tries to answer the question of how our continents were so linked in these ancient times. We also stop off at Candelaria to see the Guanche statues and the Basilica with the statue of the Virgin. Free afternoon. Farewell dinner with drinks included.
